Scenario	Band/Guitar (Annual)	Fees (Month)	Registration Fee (Annual per student)
First Class	\$450	\$45	\$30
Second Class	\$350	\$35	\$30
Third Class	\$250	\$25	\$30
All Others	\$100	\$10	\$30

- ✓ Regardless of how many students participate, tuition is calculated per the total number of classes taken by each individual immediate family. For example, two students from the same family taking a total of four classes would owe \$1150 for the year, or ten payments of \$115.

- ✓ Tuition scholarships may be available. Please see the director with inquiries.
- ✓ Competitions and auditions outside the Home School Band sometimes charge small fees. Details about specific events will be available as each situation arises. Students are required to cover their own fees.
- ✓ The band owns several instruments that may be rented by students. Instruments are on a first come, first served basis. Rental fees are a one time required payment that covers a twelve month rental. A rental agreement must be signed in order to rent an instrument from the band.
- ✓ Students will need to purchase necessary equipment (reeds, valve oil, etc.) for their respective instrument even if the instrument is loaned or rented from the band.

## Concerts

**Required Concerts** - Concerts are required as this is the chance for each student to show what they have accomplished so far. Families need to make every effort to be on time to the concerts that are scheduled. If you are not able to make a concert, **let the director know as soon as possible.**

- See the current calendar for scheduled concerts
- Additional Performances will be announced throughout the year as they are confirmed.

## Communication

Clear communication is an essential element in a group like this. It is important to **\*attend rehearsals\***, **read all e-mails**, **check with your child for handouts**, etc. to fully take advantage of attempts of communication. We ask that you send a quick response to the sender verifying receipt of e-mail you receive from the band. Follow-up phone calls may take place when a response is not received. The Board of Directors and member families should use e-mail for informational purposes only. Please use direct, one-on-one communication for concerns or issues.

## Fundraising

The band holds fundraisers to earn additional money for expenses throughout the year. Information will be distributed when specific plans are being made. Each student will be required to earn a certain amount, or volunteer for a specific amount of time at an event.

# Volunteers

The success of the organization depends highly on volunteers. Many events and activities require supervision, coordination, or simple manual help such as setting up chairs. The goal of the organization is to include everyone so that the same few individuals are not always taking care of the band.
